

**COOPERATIVE PROGRAMS WITH  
COOSA VALLEY  
TECHNICAL COLLEGE**

## **ASSOCIATE DEGREE COOPERATIVE PROGRAM with Coosa Valley Technical College**

Georgia Highlands College, in cooperation with Coosa Valley Technical College, offers programs of study which lead to the Associate of Applied Science degree. Most can be completed in two years. While the programs involve the completion of course work at both institutions, students may begin the program at either school. Concurrent enrollment is also possible. When course work at both institutions is completed, the degree is awarded by Georgia Highlands College in cooperation with Coosa Valley Technical College.

Each program area involves the completion of a block of technical courses at Coosa Valley Technical College and a core of general education courses at Georgia Highlands College. When the prescribed block of technical courses is completed, GHC will accept the *block credit* from Coosa Valley Technical College. ***Individual technical courses are not transferable.***

All students must meet the Georgia Highlands College residency requirement by completing 18 semester hours of Georgia Highlands College courses in general education regardless of transfer credits. Students who bring in some general education credits should work closely with the adviser to select elective courses which may be used to meet the 18-hour residency requirement.

Degree candidates must petition for graduation at both Georgia Highlands College and their respective technical college.
